Communication Critical Thinking Management Problem Solving Team Collaboration

EDUCATION

09/20xx

● Morning Star Comprehensive College

I attended my Nursery, Primary and Secondary in this school. Currently Seeking Admission to University

09/2023

● Penly Consult

After Secondary school I decided to start learning Web development myself through the use of some free resources online and some paid one also. This was around late 2022 I was able to develop a web application as at early 2023 But when I noticed I was slacking in the area where I needed mentorship, I decided to attend a bootcamp for Web development which further enhances my skill skills
